Yanina Lombardi – Soprano + Alto Sax + Composition

Carlo Scandurra – Tenor Sax

Tomas Peralta – Contrabass + Composition

Agustin Strizzi – Drums + Composition

Guest – Andrea Sartini – Piano & Composition

The B4+ is more than a mere musicians collective, it goes further than making just concerts and recording albums, it doesn't have a fix line-up and its core form is in constant mutation.

The B4+ is a concept inspired by musicians to bring together more musicians and listeners in order to generate a space for sharing, inviting, getting to know and getting to play.
